UNDERGRADUATE CERTIFICATES IN INNOVATION & ENTREPRENEURSHIP

DESIGN & CREATIVE MAKING

College of Arts & Sciences

This certificate provides students with a basic understanding of design and creativity as manifestations of the relationship between thinking and making.

ECO-ENTREPRENEURSHIP

College of Earth, Ocean & Environment

This certificate provides students with the foundational knowledge, skills and capacities needed to work toward the development of novel solutions to critical environmental problems confronting society.

ENTREPRENEURIAL LEADERSHIP

Lerner College of Business & Economics

This certificate enhances student capacity to lead, innovate, and facilitate others' success in any field. It focuses on leading oneself and leading others to come together around a common goal/vision to accomplish something new that would not have been accomplished otherwise. Entrepreneurial leadership is critical for creating the world you want to live in and successfully adapting to rapid change.

INNOVATION & ENTREPRENEURSHIP FOR HEALTH

College of Health Sciences

This certificate provides students with the foundational knowledge, skills and capacities needed to work toward improving health outcomes, expanding health care access and lowering costs through innovation and entrepreneurship.

FOOD SYSTEMS INNOVATION & ENTREPRENEURSHIP

College of Agriculture & Natural Resources

This certificate focuses on the best practices associated with the creation, delivery and capture of value from new ideas.

SOCIAL INNOVATION & ENTREPRENEURSHIP

College of Education & Human Development

This certificate provides students with the skillset and capacities needed to create economically sustainable solutions to society's most pressing social problems and challenges.

TECHNOLOGY INNOVATION & ENTREPRENEURSHIP

College of Engineering

This certificate provides students with foundational knowledge, skills and capacities for translating scientific discoveries and novel inventions into new, value-creating products, startup business and social ventures.
