### **Community Engagement Committee Position Description**

As a member of the Community Engagement Committee, the Committee is charged with fostering valuable and consistent connections among student advisory board and Diamond Challenge community members / stakeholders. Committee responsibilities include but are not limited to:

- Facilitating daily collaborative conversations via student advisory board utilized outlets such as Facebook
- Coordinating monthly student advisory board activities and meet-ups both virtually and in person (if possible)
- Spearheading the Diamond Challenge student advisory board video
- Maintaining monthly student advisory board member recognition
- Seeking out, collecting, and cultivating three monthly student stories for our Diamond Challenge Stories page of the website
- Posting three rich, meaningful posts via our Diamond Challenge Community Facebook group every week
- Cultivating three biweekly social media posts for each Diamond Challenge social media outlet
